

## Observer (Faculty and Student) Notes

Course: *Nursing 2450 OB Sim*

Simulation Title: *Unfolding OB Sim* Date: \_\_\_\_\_

<i>Primary Nurse</i>	<i>Orientee Nurse</i>					
<i>Family Member</i>	<i>Student Observer/s</i>					
<i>Faculty Observer/s</i>						
<b>Nursing Interventions (Expected Behaviors)</b>						
<b>Was student able to:</b>						
1) Demonstrate ability to provide safe care including:					Comments	
a) identifying self to patient	Yes (+) No (Δ)					
b) checking patient identification	Yes (+) No (Δ)					
c) using standard and transmission based precautions as required	Hard hygiene before Yes (+) No (Δ) Hard hygiene after Yes (+) No (Δ)					
d) using body mechanics to prevent injury	Yes (+) No (Δ)		Describe:			
e) preventing patient falls (lower bed height, use side rails and other measures as appropriate)	Yes (+) No (Δ)		Describe:			
f) safely administer medications using the "7 Rights" (patient, medication, dose, route, time, documentation, technique)	Patient Yes (+) No (Δ)	Med Yes (+) No (Δ)	Dose Yes (+) No (Δ)	Route Yes (+) No (Δ)	Time Yes (+) No (Δ)	Docu Yes (+) No (Δ)
2) communicate effectively with:						
a) other members of health care team	Yes (+) No (Δ)					
b) patient and family	Yes (+) No (Δ)					
3) delegate tasks as needed to provide safe patient care.	Yes (+) No (Δ)		List task(s) primary nurse delegated:			
4) perform a focused assessment including:						
a) complete set of vital signs (T,P,R, B/P, O2 sat)	Yes (+) No (Δ)		BP setting	P setting	R setting	T setting
			Nurse	Nurse	Nurse	Nurse
b) pain assessment (using scale of 1-10)	Yes (+) No (Δ)		Patient's pain level:			
c) IV site	Pain Yes (+) No (Δ)			Redness Yes (+) No (Δ)		
	Swelling Yes (+) No (Δ)			Dressing dry/intact Yes (+) No (Δ)		
d) IV solution, flow rate:	Correct solution Yes (+) No (Δ)			Correct rate Yes (+) No (Δ)		

5) use non-pharmacologic interventions for pain relief	Yes (+) No (Δ)	List non-pharmacologic interventions
6) Identify fetal distress	Yes (+) No (Δ)	
7) Appropriate interventions based on findings	Yes (+) No (Δ)	
8) Patient Education	Yes (+) No (Δ)
