

**1Health Simulation Learner Evaluation
2018**

Please take a few moments to answer the questions below and let us know what you thought of your experience today. Use the scale to indicate how strongly you agree or disagree with the statements at the left. All responses are anonymous and results will be reported in aggregate form only.

Item	Don't Know	Strongly disagree	Disagree	Slightly disagree	Slightly agree	Agree	Strongly agree
I received an appropriate amount of information prior to starting the simulations.	DK	1	2	3	4	5	6
I understood the purpose of today's experience.	DK	1	2	3	4	5	6
I understood what I was expected to do in today's simulations.	DK	1	2	3	4	5	6
I understood how or if I was being evaluated during these simulations.	DK	1	2	3	4	5	6
The length of the cases allowed me enough time to use my skills appropriately.	DK	1	2	3	4	5	6
The staging of the clinical environments was realistic enough to allow me to learn from the experience.	DK	1	2	3	4	5	6
The clinical scenarios were believable.	DK	1	2	3	4	5	6
The standardized patients were believable.	DK	1	2	3	4	5	6
The simulations were realistic enough for me to use my skills appropriately.	DK	1	2	3	4	5	6
The simulations felt applicable to clinical practice.	DK	1	2	3	4	5	6
The feedback/group debriefing helped me identify my strengths and areas for development.	DK	1	2	3	4	5	6
I felt like I could practice new or familiar skills without concern that I would be shamed, humiliated or belittled.	DK	1	2	3	4	5	6
This experience allowed me to work outside my comfort zone.	DK	1	2	3	4	5	6
I feel more prepared to manage these kinds of clinical situations in the future.	DK	1	2	3	4	5	6
Overall, this was a useful experience.	DK	1	2	3	4	5	6

OVER FOR ADDITIONAL QUESTIONS

What were three things you learned from this activity?

- 1.
- 2.
- 3.

Please list the best three things about this activity:

- 1.
- 2.
- 3.

Please list the top three things that should change about this activity:

- 1.
- 2.
- 3.

Thank you for completing this evaluation!
